Dear Architect and Engineering Firms,

I received the following request for clarification:

On page 5, under the heading “Tab 5: Proposed Approach to Project”, the sub item c) states “your proposed A/E fee basis for services you would be providing as outlined in this RFQ.” Can you clarify what it is you are requesting in this section?

This is to clarify that the request pertains to the manner in how a fee proposal would be prepared. We are not requesting a formal fee proposal at this time.

Also, no other addendums have been issued for this RFQ.

Thank you for your interest in our project. Please let me know if you have any further questions.
