

TREASURE VALLEY TRANSIT
Solicitation No. 5-11-2018-001
First Amendment issued June 1, 2018

This amendment is to revise the capacity of the required vehicles for three (3) new 2018 cut-away high volume production transit buses with Full Composite Body and Full Body Undercoat E-450 6.8L gasoline engine V10 powered (with the option to purchase two additional buses).

Buses are to seat 18 passengers or 2 passengers & seven (7) wheelchairs with a (front wheelchair lift) to accommodate weight restrictions.

Section 2.11.1 Fuel Tank(s)

The fuel tank shall have a capacity of not less than 55 gallons total. The fuel tank shall be securely mounted to the bus to prevent movement during bus maneuvers. Tanks shall be protected from road debris by a stainless steel shield/skid plate.

Section 1.2.5 is removed

Sections 1.2.7, 1.2.8, and 1.2.9 on page 15 are deleted, these sections were intended for the larger vehicle.

Section 2.1.2 is deleted; this section was intended for the larger vehicle.

Section 1.10.2 is amended to one emergency escape hatch; the original spec was intended for the larger vehicle.

Section 2.15.32 is amended to 90,000 BTU; this is sufficient for the smaller vehicle.
